

WHAT IS A KEY PERSON?

At Woodlanders we operate a Key Person system to ensure that your child's individual needs and interests are nurtured and built upon in the best possible way. The Key person builds a relationship with you and your child, helping to provide opportunities within their room to stimulate their learning and development. The key person will ensure that communication is maintained with you during the week and at least every term your key person will arrange an informal catch up. If your child's Key person is not in, the room leader will ensure your child's needs continue to be met.

CAN YOU SPOT YOUR KEY PERSON?

We are here to help.

With the cost of living rising, we are aware that many families may be struggling to keep up, if this is the case, please do not hesitate to talk to us-

there are many ways in which we can help,

We have set up a coat, warm clothes and wellie 'swap/loan shop'- we will be putting this under the pram shelter (next to the office) If you need anything. If we can help in any other way, please talk to your child's key person or email the office. - no questions asked, and anything discussed will be completely confidential.

On the other hand, if you have any good quality coats/ wellies you will be willing to donate please pop them into the office.

In the meantime, here are some local contacts that can help:
